

# “Digital Libraries and Open Access. Interoperability strategies”

Workshop on 4 February 2011,  
The British Academy – London

## Agenda

08.45 – 09:15	Registration and Welcome Coffee & Tea
09:15 – 09:30	Introduction, <i>Prof. Seamus Ross, University of Toronto (CA)</i>
09:30 – 10:00	The DL.org Reference Model, <i>Vittore Casarosa, National Research Council of Italy (IT)</i>
10:00 – 10:30	Interoperability best practices and solutions: the DL.org Cookbook, <i>Leonardo Candela, National Research Council of Italy (IT)</i>
10:30 – 11:00	The Policy & Quality Interoperability Surveys. Lessons learned from the OAR community, <i>Giuseppina Vullo, HATII - University of Glasgow (UK)</i>
11:00 – 11:30	Networking Coffee Break
11:30 – 12:00	Data Libraries: A matter of trust, reliability, quality, <i>Hans Pfeiffenberger, Alfred Wegener Institute (DE)</i>
12:00 – 12:30	The Sonex Workgroup on Interoperability, <i>Pablo De Castro, Universidad Carlos III de Madrid (ES)</i>
12:30 – 13:45	Lunch
13:45 – 14:15	Open Repositories and interoperability challenges in UK, <i>Peter Burnhill, EDINA - University of Edinburgh (UK)</i>
14:15 – 14:45	The “many ways” to interoperability. Outcomes and challenges within DRIVER and OpenAIRE, <i>Wolfram Horstmann, University of Bielefeld (DE)</i>
14:45 – 15:15	Future scenarios on Open Access, <i>Heather Joseph, SPARC (US)</i>
15:15 – 15:45	Networking Coffee Break
15:45 – 16:45	<b>Round Table</b> Common strategies for interoperability <i>Chair: Prof. Seamus Ross, University of Toronto (CA)</i>
16:45 – 17:00	Conclusions and Future Opportunities

## Workshop on Digital Libraries and Open Access. Interoperability Strategies

British Academy, Reading Room, 10 Carlton House Terrace,  
4 February 2011 - Latest Agenda: 10 January 2011
